Strategic merger of MSMmedcare GmbH and medilas ag

Esteemed customers,

We are delighted to announce the strategic merger of MSMmedcare GmbH and medilas ag. Thanks to their complementary products and regional strengths, the two companies are a perfect fit. The ensuing expansion of our product range, which will be provided from a single source, will result in long-term added value for you.

Domiciled in Rickenbach (SO), MSMmedcare has been active in Romandy and Bern-Mittelland for over ten years. As of 1 August 2017, its owners Yvon Roud and Pierre-André Kolly will strengthen our regional team at medilas ag while also continuing to look after their own customers. "We are delighted to have found a strong, experienced partner in medilas ag who also shares our values", comment Yvon Roud and Pierre-André Kolly.

Markus Gössi, managing director of medilas ag, is convinced that the strategic merger will promote continuity in the field of customer service at both companies: "Together, we will step up our distribution activities in Romandy and Bern-Mittelland and will develop our range of ophthalmologic products and services to the benefit of our customers."

As a comprehensive and innovative provider of solutions in all areas relating to ophthalmologic surgeries and clinics, your needs are our prime concern. We understand your business and offer you tailor-made solutions. You can rely on us as a personal and competent partner in your region.

We would like to take this opportunity to thank you for the trust you are placing in us and look forward to our continued collaboration. If you have any questions in this matter, please do not hesitate to contact us.

medilas ag

Founded in Geroldswil in 1982, the company offers a select, manufacturer-independent and comprehensive programme in the field of eye surgery and diagnostics. Aside from intraocular lenses, its product range also includes medical devices, surgical instruments and individually compiled surgery sets. The company's success is based on its comprehensive range of high-quality, innovative products as well as long-term personal communication, proven expertise and top service quality for ophthalmologists and product users. Further information is available at <http://www.medilas.ch>.

MSMmedcare GmbH

MSMmedcare was established in 1999 and is domiciled in Rickenbach (SO). The company's four members of staff are engaged in the distribution of medical instruments, medical devices and intraocular lenses as well as solutions and various surgery sets for ophthalmologists, dermatologists, hospitals, clinics, doctors and pharmacies. Its main focus is on pioneering developments in the field of ophthalmology. Further information is available at <http://www.msm-medcare.ch>.
